"Domestic Engineering" Quarterly Index

Vol. LXXXVI—January 4 to March 29, 1919

This is the thirty-seventh index of "Domestic Engineering," an index for each quarter appearing at the end of that quarter. We ask our readers to note the value of this index for reference, calling special attention to the separate classification of the departments of "Legal Questionnaire" and "Questions and Answers," and to "New Appliances and Improvements," the two latter giving you a line on up-to-date practice and materials.

A

Advance of Modern Sanitation in Wisconsin During 1918 ... 240
